Date Mailed: 07/12/2004

NOTICE TO FILE CORRECTED APPLICATION PAPERS

Filing Date Granted

An application number and filing date have been accorded to this application. The application is informal since it does not comply with the regulations for the reason(s) indicated below. Applicant is given TWO MONTHS from the date of this Notice within which to correct the informalities indicated below. Extensions of time may be obtained by filing a petition accompanied by the extension fee under the provisions of 37 CFR 1.136(a).

The required item(s) identified below must be timely submitted to avoid abandonment:

- A substitute specification in compliance with 37 CFR 1.52, 1.121(b)(3), and 1.125, is required. The specification, claims, or abstract page(s) submitted is not acceptable and cannot be scanned or properly stored because:
 - The specification contains drawings or flow diagrams (37 CFR 1.58(a)) on page(s) 1,2, 7-11. Drawings or flow diagrams cannot be embedded in the specification and should be submitted separately in accordance with 37 CFR 1.84. (Both a substitute specification and substitute drawings are required).
- Replacement drawings in compliance with 37 CFR 1.84 and 37 CFR 1.121 are required. The drawings submitted are not acceptable because:
 - The drawings contain excessive text. Suitable descriptive legends may be used, or may be required by the Examiner where necessary for understanding of the drawing but should contain as few words as possible (see 37 CFR 1.84(o)). See Figure(s) 1,3,5,7 & 11.

Replies should be mailed to: Mail Stop Missing Parts

To whom it may concern:

In reference to your Notice to file corrected application papers, dated 07/12/2004.

When we mailed the last set to your office we had lost all of our information in our computer, and had to go to hand notes 15 years old. Then we received another notice about the papers, I called my attorney and he helped us to rewrite the specification and we removed all the pictures and made drawing to replace them.

I hope this is now adequate, although if you require more information I will make it available.

Please contact us at the P.O. Box 2159, Toluca Lake, Ca. 91610. My cell phone # 818-489-2049 or home # 818-7761-3628.

Enclosed: Revised Specification pages # 1 though # 14
 Revised Drawing sheets # 1 though # 14
 Other papers see Index following the drawings
 Copy of your notice dated 7/12/2004

Thank you in advance,

Henry Rohrig
